

Soon you will be talking with a career adviser to have a discussion about your ideas for beyond year 13 and your future. To help you make the most out of this discussion, prepare yourself and consider any questions you may have, please answer the following questions. It is okay if you are not sure, or do not know the answers.

What are your ideas for the future? Do you have any career ideas? If so, what?	
If you do have career ideas, what steps have you taken to research or start to work towards your possible goals?	
What are you thinking of doing after year 13?	
What do you know about the options after year 13, university, gap year, higher/ degree apprenticeships, work?	
Do you know how to research ideas for after year 13? If so, what methods have you used?	
When do you think you need to make a decision by and apply?	
How are you getting on in sixth form? What subjects do you study and how are you getting on with these?	
What are your predicted grades? Are you meeting these?	
Do you have any hobbies, extra-curricular activities or responsibilities other than school?	
Do you have a part-time job? If so, what do you do?	
Have you completed any work experience? If so, did you enjoy this? Why? Why not?	
What do members of your family do? Does that interest you? Why/ why not?	
What would you like to use your career interview to discuss?
